

On land held by our family for 160 years in St. Helena, California, we produce terroir driven wines. When our ancestor first saw our site at the foothills of the Mayacamas mountains, he said the soil was nine parts rock and one part dirt, and therefore ideal for wine grapes. To honor his foresight, we named this wine Terra 9.

2021 TERRA 9 CABERNET SAUVIGNON

WINEMAKER'S NOTES: The 2021 Terra 9 is a sun-kissed vintage with opulent fruit, rich aromatics, and an irresistible silky roundness. Fragrant notes of black cherry, bay leaf, cedar, and dried winter savory waft from the glass, with darker aromas of blackberry compote and river stones just behind. The signature minerality of Terra 9 hums in the background with bright red fruit accents. Sweet baking spice on the midpalate lingers through the lengthy finish.

Family favorite food pairing to invite conversation: Filet Mignon.

THE VINEYARD: Crafted from premier, hand-selected rows within Taplin Vineyards in the west bench south of St Helena, Napa Valley. This site benefits from a distinct diurnal shift, where cooling maritime breezes from the Bay temper the warm, sun-drenched days. Throughout the growing season, the block is subject to rigorous viticultural oversight, including precision canopy management, pruning, and meticulous crop thinning to ensure optimal fruit concentration

THE VINTAGE: The year started off with very little rain. The long warm summer led to a natural load of smaller grapes full of flavor. We avoided heat spikes in our vineyard, harvesting just in time to keep the ideal grape size.

Composition	100% Cabernet Sauvignon
Harvest Dates	September 15–September 22
Barrel Aging	22 months in 60% new French oak
Release Date	April 1, 2024
Alcohol	13.9%
Winemaker	Julien Fayard
AVA	St. Helena, Napa Valley
Cases Produced	820
